

# GREEN ON THE GREEN SPONSORSHIP

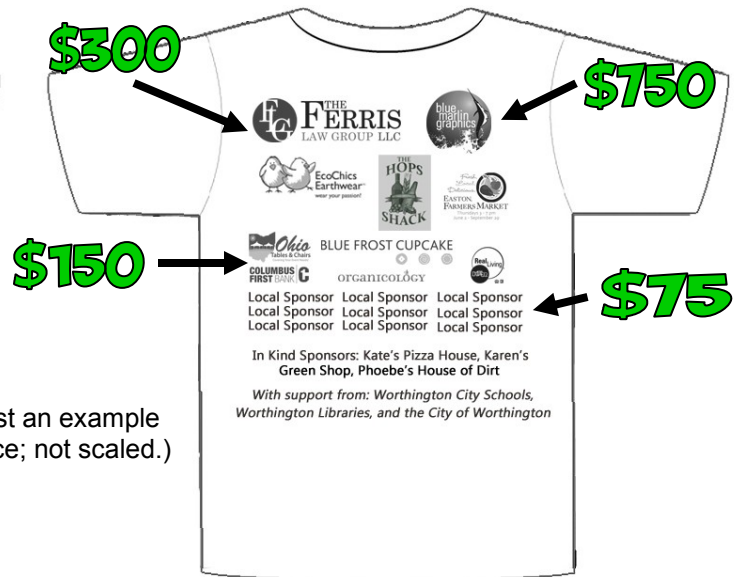

People will be fighting for their **FREE Green on the Green t-shirt** this May! Imagine the places it will go and the people it will see: the local gym, pee-wee soccer, school cafeterias and the occasional happy hour.

What's disguised as a hip, yet comfortable, t-shirt is really a walking, talking billboard for our Green on the Green sponsors. Be the business that gets around town... exposing itself to new people and places. For a good cause AND good for business!

Don't delay; get on our t-shirt today! We've made room for every budget!  
*(Some sponsorships come with added perks; see chart below.)*
